General conditions

- Before you get your motorcycle it will be checked for damages by you and the owner together.
- The motorcycle will be delivered with a full tank of gasoline and will be returned with a full tank of gasoline also.
- At stalling or parking the steering wheel-lock and the disk-lock must be used. The driver is responsible. At night the motorcycle has to be parked at a monitored parking or at a locked garage.
- The motorcycles are not allowed on gravel roads, beaches, logging roads or other non-public roads.
- Renter/driver has to obey all traffic rules and -regulations
- Renter may be held responsible for mechanical damage due to negligence in motorcycle operation or failure to provide normal maintenance, wheelies, stoppies and/or burn outs.
- The fines caused by you the driver/renter are recovered at all times on the renter.
- Maintenance responsibility. The renter/driver is responsible for checking coolant, engine-, gearbox- and/or brake fuel oil levels at each refueling and reporting mechanical failures immediately.
- The cost of washing and cleaning the motorcycle, in case the owner finds this necessary, will be on the renters account. You will be charged to pay € 40.00
- The renter cannot withdraw himself to these obligations and conditions.
- When there is damage to third parties you must call the police at all times. If you fail this, you are personally responsible for the whole damage amount (Police emergency number 112)
